

The Republic of Poland provided the following statement alongside their endorsement of the Ljubljana Declaration on Gender Equality in Research and Innovation:

*“Equality between women and men is enshrined in the treaties of the European Union as a fundamental right. Poland ensures equality between women and men within the framework of the Polish national legal system in accordance with internationally binding human rights instruments and within the framework of fundamental values and principles of the European Union. For these reasons, in wordings referring to gender Poland will interpret it as a equality between women and men, according to Article 8 TFEU.”*
