

Unique identification of heritage: 2-00020

Name of the unit: Weaving St. John's wreaths

Category of heritage:

REPUBLIC OF SLOVENIA MINISTRY OF CULTURE

social practices, rituals and festive events

Brief description:

Weaving St. John wreaths on Midsummer's Eve and hanging them on the front door is characteristic of villages on the Karst plateau. The custom is based on folk belief in the power of plants gathered on Midsummer's Eve, which were thought to protect homes against accidents.
