

## Description of the unit of intangible cultural heritage

Unique identification of heritage: **2-00073**

Name of the unit: **Building beehives and apiaries**

Category of heritage:  
**traditional craftsmanship**

Brief description:

**Apiaries are built to hold beehives for bee families and for carrying out commercial beekeeping work. They are a characteristic feature of the Slovene cultural landscape. Their construction requires technical, aesthetic and economic knowledge, as well as craft skills.**
