

European
Commission

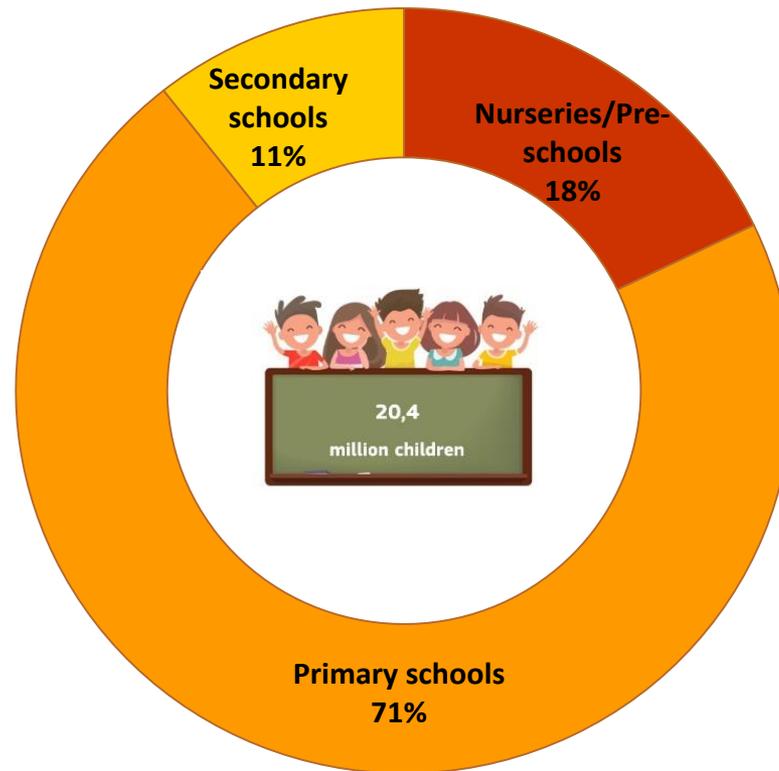

The EU school fruit, vegetables and milk scheme in 2017/2018

**Committee for Common
Organisation of Agricultural
Markets - Animal products
21 March 2019
AGRI.G.3**

The EU school scheme at a glance

- Key facts and figures
 - Country **monitoring reports** ⇒ activities carried out 1 August 2017 to 31 July 2018. Reports available in Europa [webpage](#)
 - **Expenditure declarations** ⇒ payments from 1 August 2017 to 28 February 2019 (more updated budget execution)
- **PRELIMINARY** info ⇒ some gaps in country reports (1st monitoring exercise new scheme) + budget execution may still improve

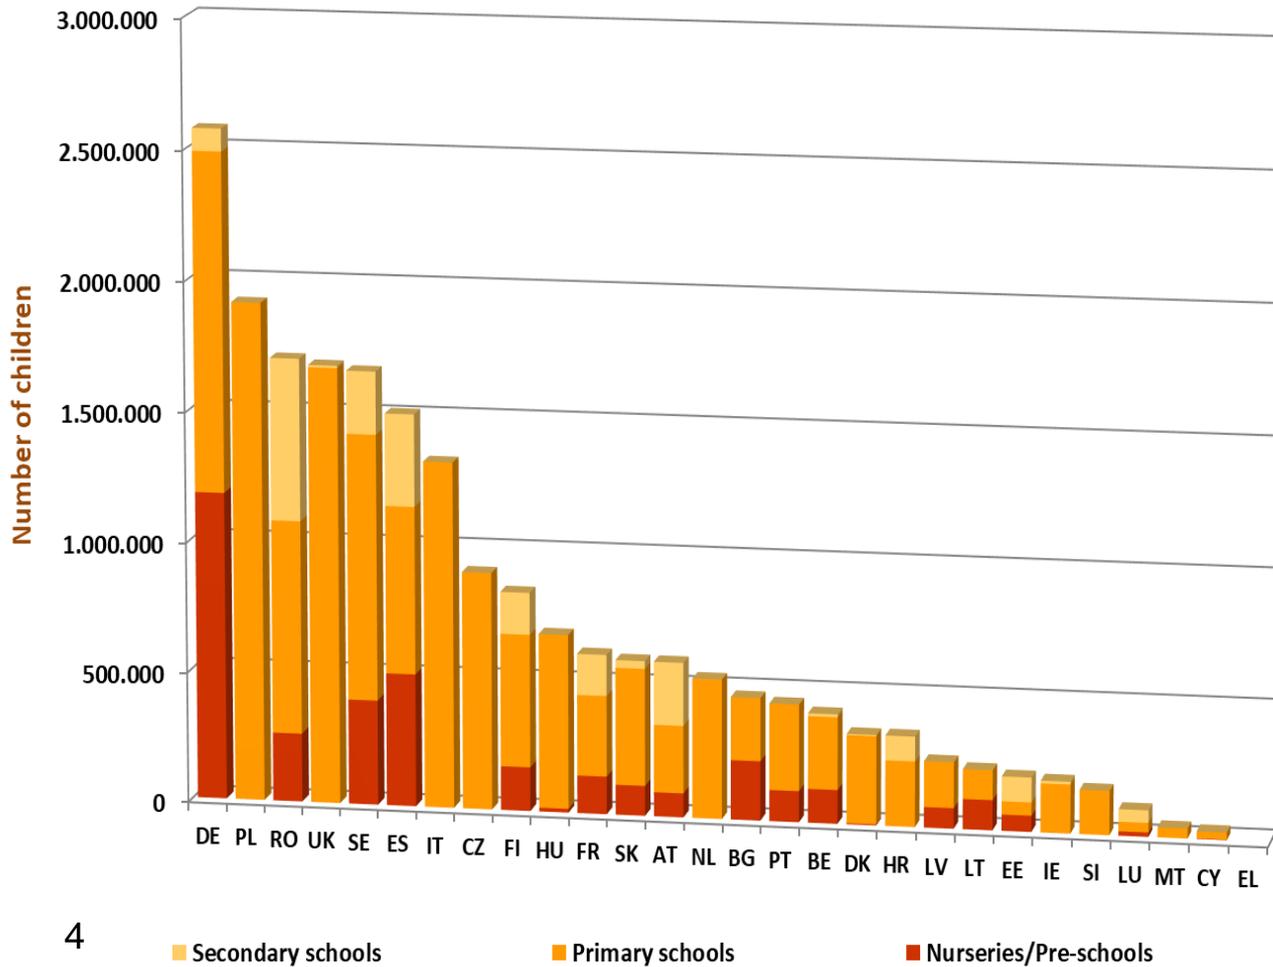

More than 20,4 million children

by country ...

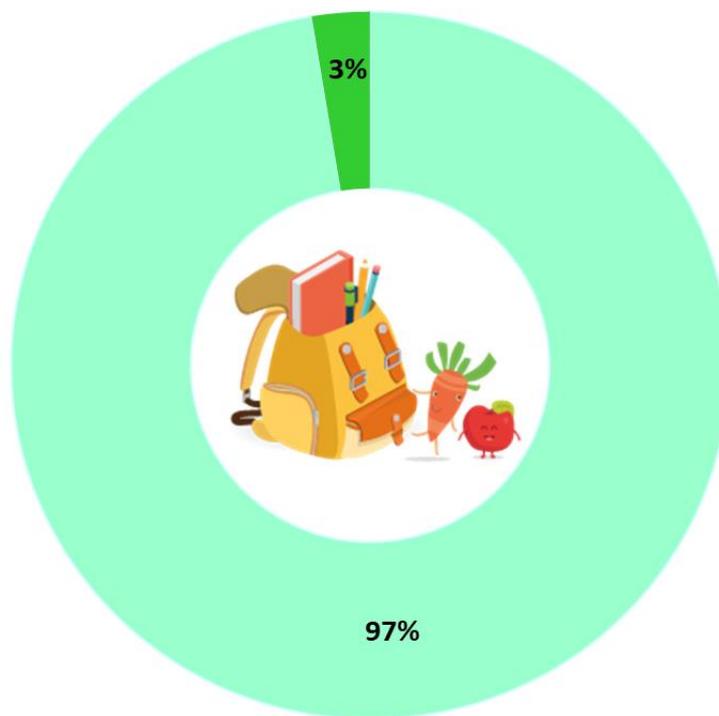

Participating children

Total: 20 418 350

Priority to fresh fruit and vegetables

Quantities of fruit and vegetables distributed to schoolchildren
2017/2018 school year

	Quantity (kilos or litres)
Fresh	255.457.098
Processed	6.824.666

■ Fresh fruit and vegetables

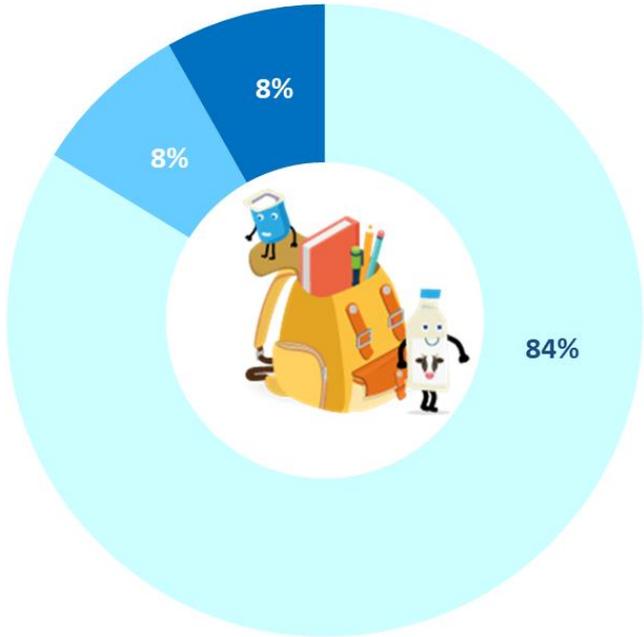

■ Processed fruit and vegetables

Priority fresh fruit/vegetables by country

Priority to milk

Quantities of milk products distributed to schoolchildren
2017/2018 school year

	Quantity (litres or kilos)
Drinking milk	178.099.608
Milk products with no added sugar, flavouring, fruit, cocoa	17.148.201

Denmark	98,6%	99,7%	↑
Germany	52,5%	49,6%	↔
Estonia	86,0%	87,2%	↑
Ireland	98,6%	100,0%	↑
Greece	100,0%	n/a	
Spain	91,0%	98,4%	↔
France	34,4%	64,5%	↑
Croatia	100,0%	70,0%	↓
Italy	13,4%	57,4%	↑
Cyprus	11,8%	100,0%	↑
Latvia	99,8%	100,0%	↑
Lithuania	24,6%	60,0%	↑
Luxembourg	55,8%	86,8%	↑
Hungary	43,5%	36,7%	↔
Malta	100,0%	100,0%	
Netherlands	86,8%	100,0%	↔
Austria	13,0%	14,4%	↔
Poland	89,7%	77,2%	↔
Portugal	3,8%	100,0%	↑
Romania	91,7%	92,5%	↑
Slovenia	96,0%	81,1%	↔
Slovakia	86,9%	88,0%	↑
Finland	89,9%	93,4%	↑
Sweden	85,2%	100,0%	↔
United Kingdom	95,6%	100,0%	↔

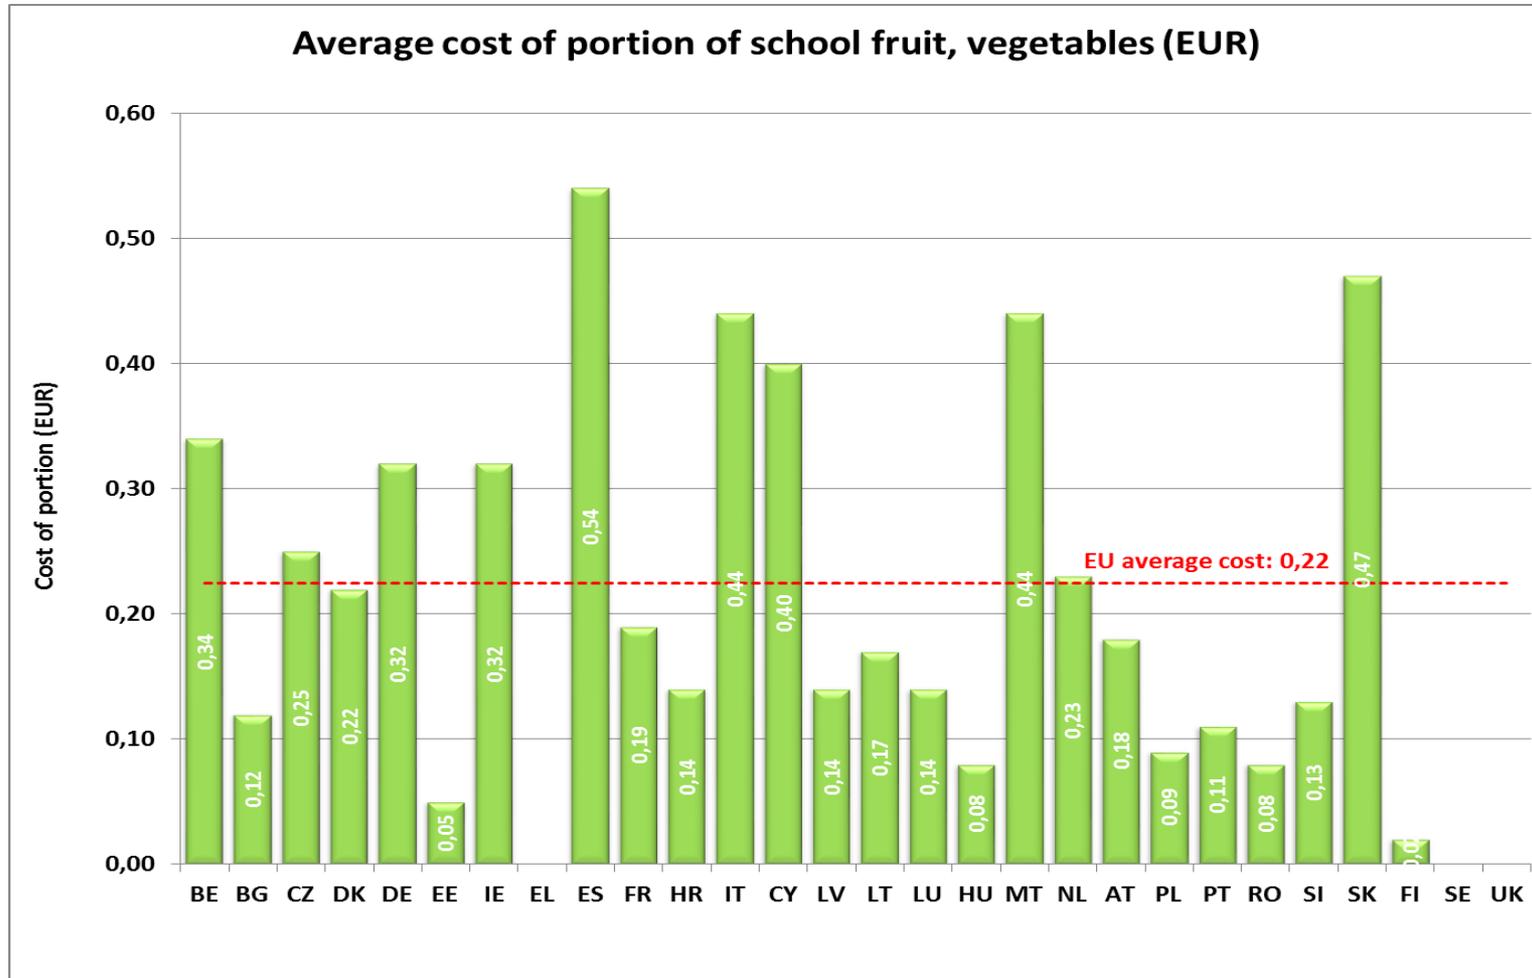

How much fruit and vegetables

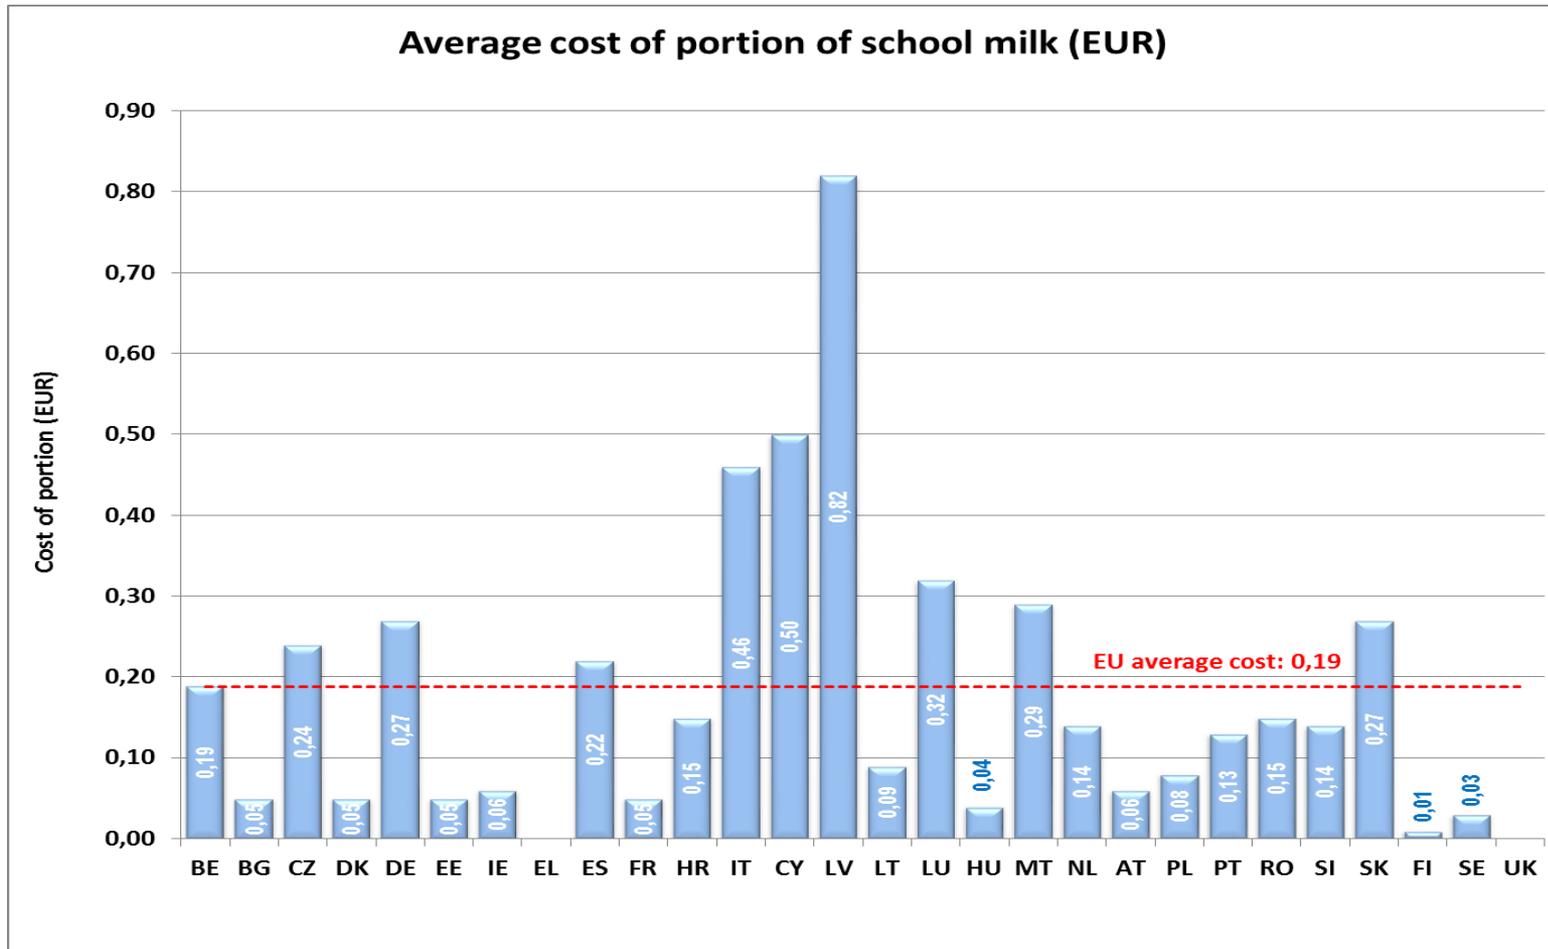

How much milk

Cost of fruit and vegetables portion

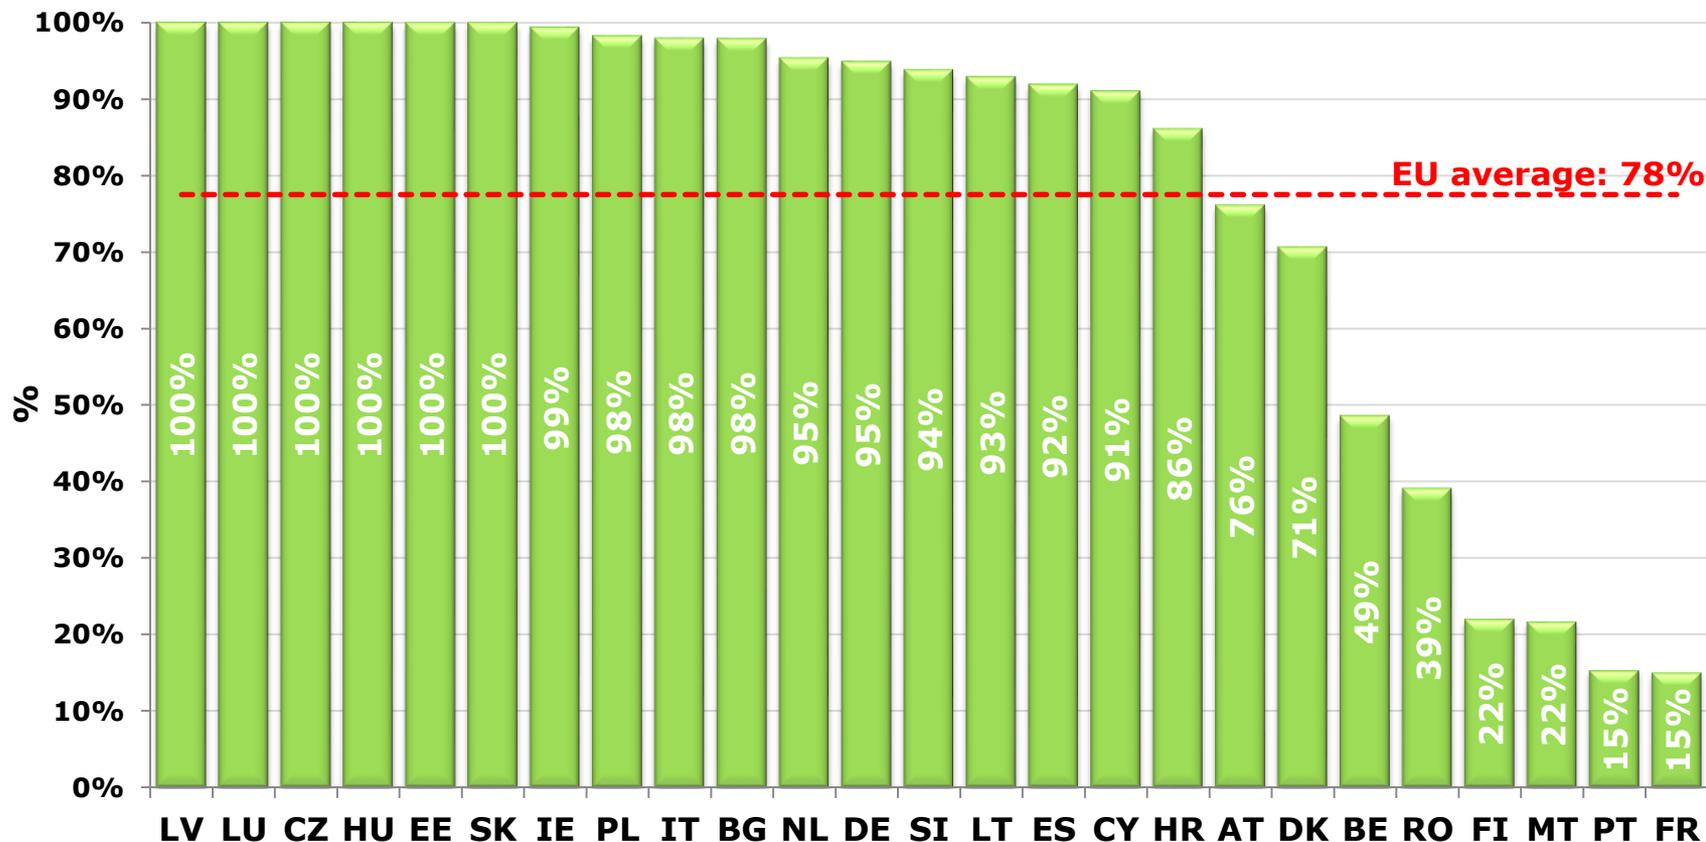

Cost of milk portion

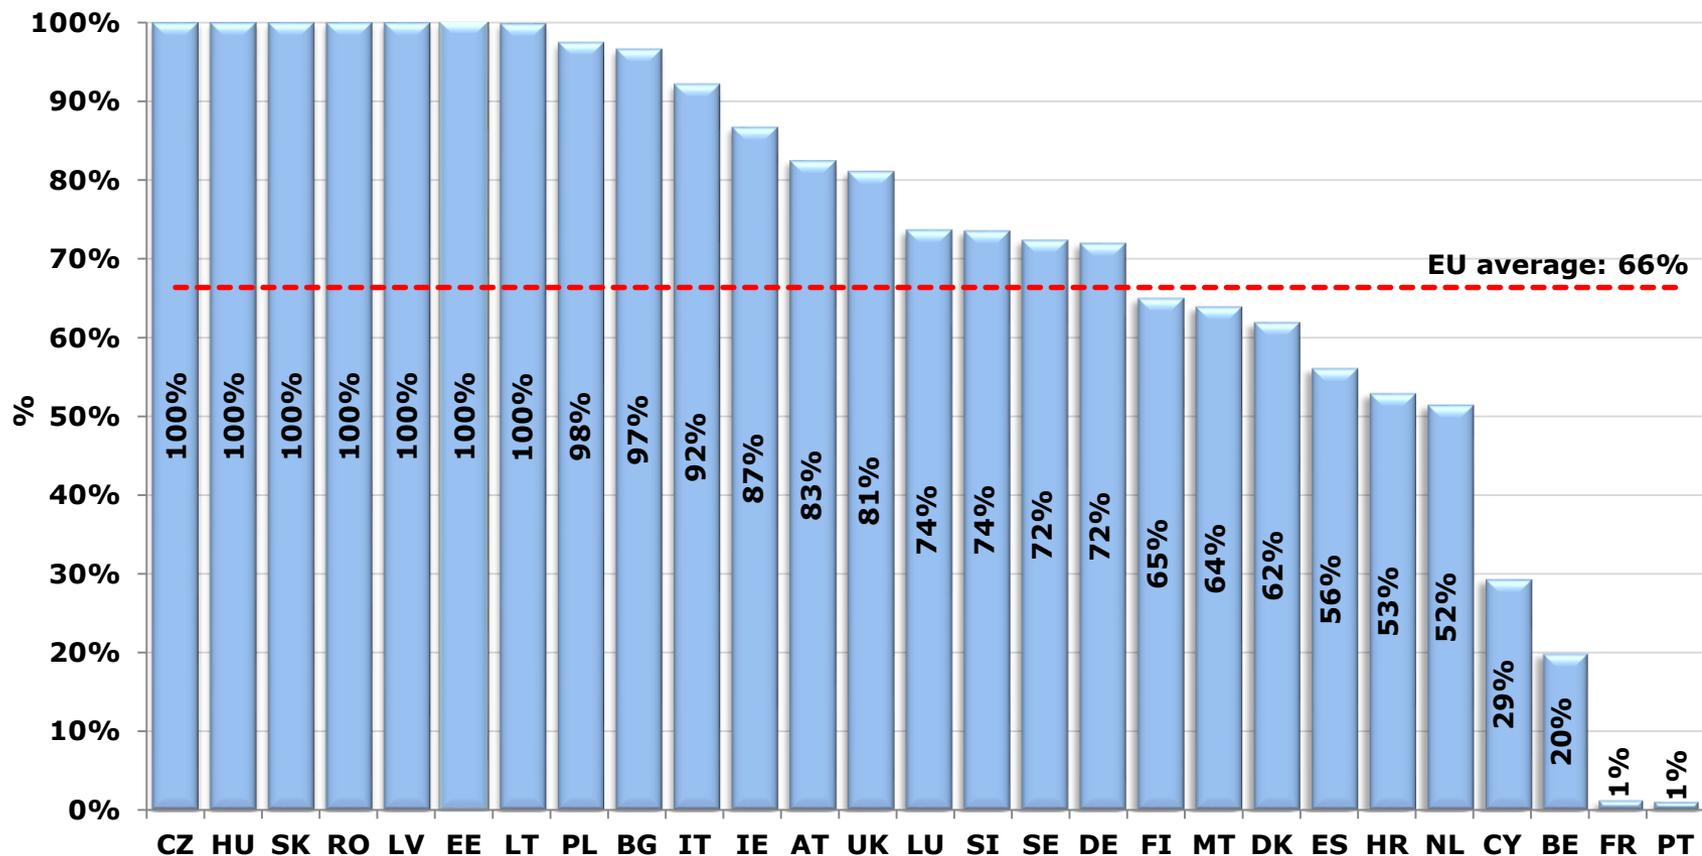

Many educational activities (including nationally funded)

	Children involved	Number
	Setting up and maintenance of school gardens	1.042.352
	Visits to farms, dairies, farmers' markets and similar activities	1.131.906
	Tasting classes, cooking workshops and hands-on activities	6.363.265
	Educational/learning activities	16.043.734
	Other activities – competitions, games, theme days etc.	6.690.652

Budget execution (until 2/2019) school fruit and vegetables part

Budget execution (until 2/2019) school milk part

Next

- Key figures in **factsheet**
- Full data in **overview** & analysis in **market brief**

PLEASE:

- **review your report** and signal any mistake in overview by 29 March
- stories and people behind numbers ⇒ **send examples of implementation** (catchy title, 1 paragraph description, picture with authorisation to publish) by 5 April to Agri-school-scheme@ec.europa.eu

Thank you
