

The roles of the dead

Focus on individuals

Treating the agency of the dead seriously

Grass-root approach

Research in four East/Central European countries

Project Design

Fields of research	Slovenia	Hungary	Slovakia	Bosnia and Herzegovina
Problematic political past: mass graves	Senior researcher	<i>No mass graves</i>	<i>No mass graves</i>	Postdoc
Changing religious landscape	PhD	Postdoc	Senior researcher	Postdoc
Changing social life in rural communities	PhD	Senior researcher	Postdoc	PI

A photograph of a cemetery with various gravestones in the background. The stones are made of different materials and colors, including granite and marble. Some have intricate carvings, and others are simple rectangular blocks. The scene is slightly out of focus, with the text overlaid in the center.

Over-arching Aim of DEAGENCY

Developing a new theory for comprehensively understanding the roles that the dead fulfil for individuals living in contemporary society
