Upon signature of the Agreement on establishing the Center of Excellence in Finance (CEF), Romania makes the following Interpretative Declaration as regards articles 6, 7 and 9:

Romania considers that membership to the CEF may be granted only to States and to regional intergovernmental economic integration organizations which are constituted by sovereign States at least one of which is member of the CEF and to which Member States have transferred competences.

The regional intergovernmental economic integration organization has no vote separate from that of its Member States which are members to the CEF.
