Mednarodna trgovina ogroža živalske in rastlinske vrste

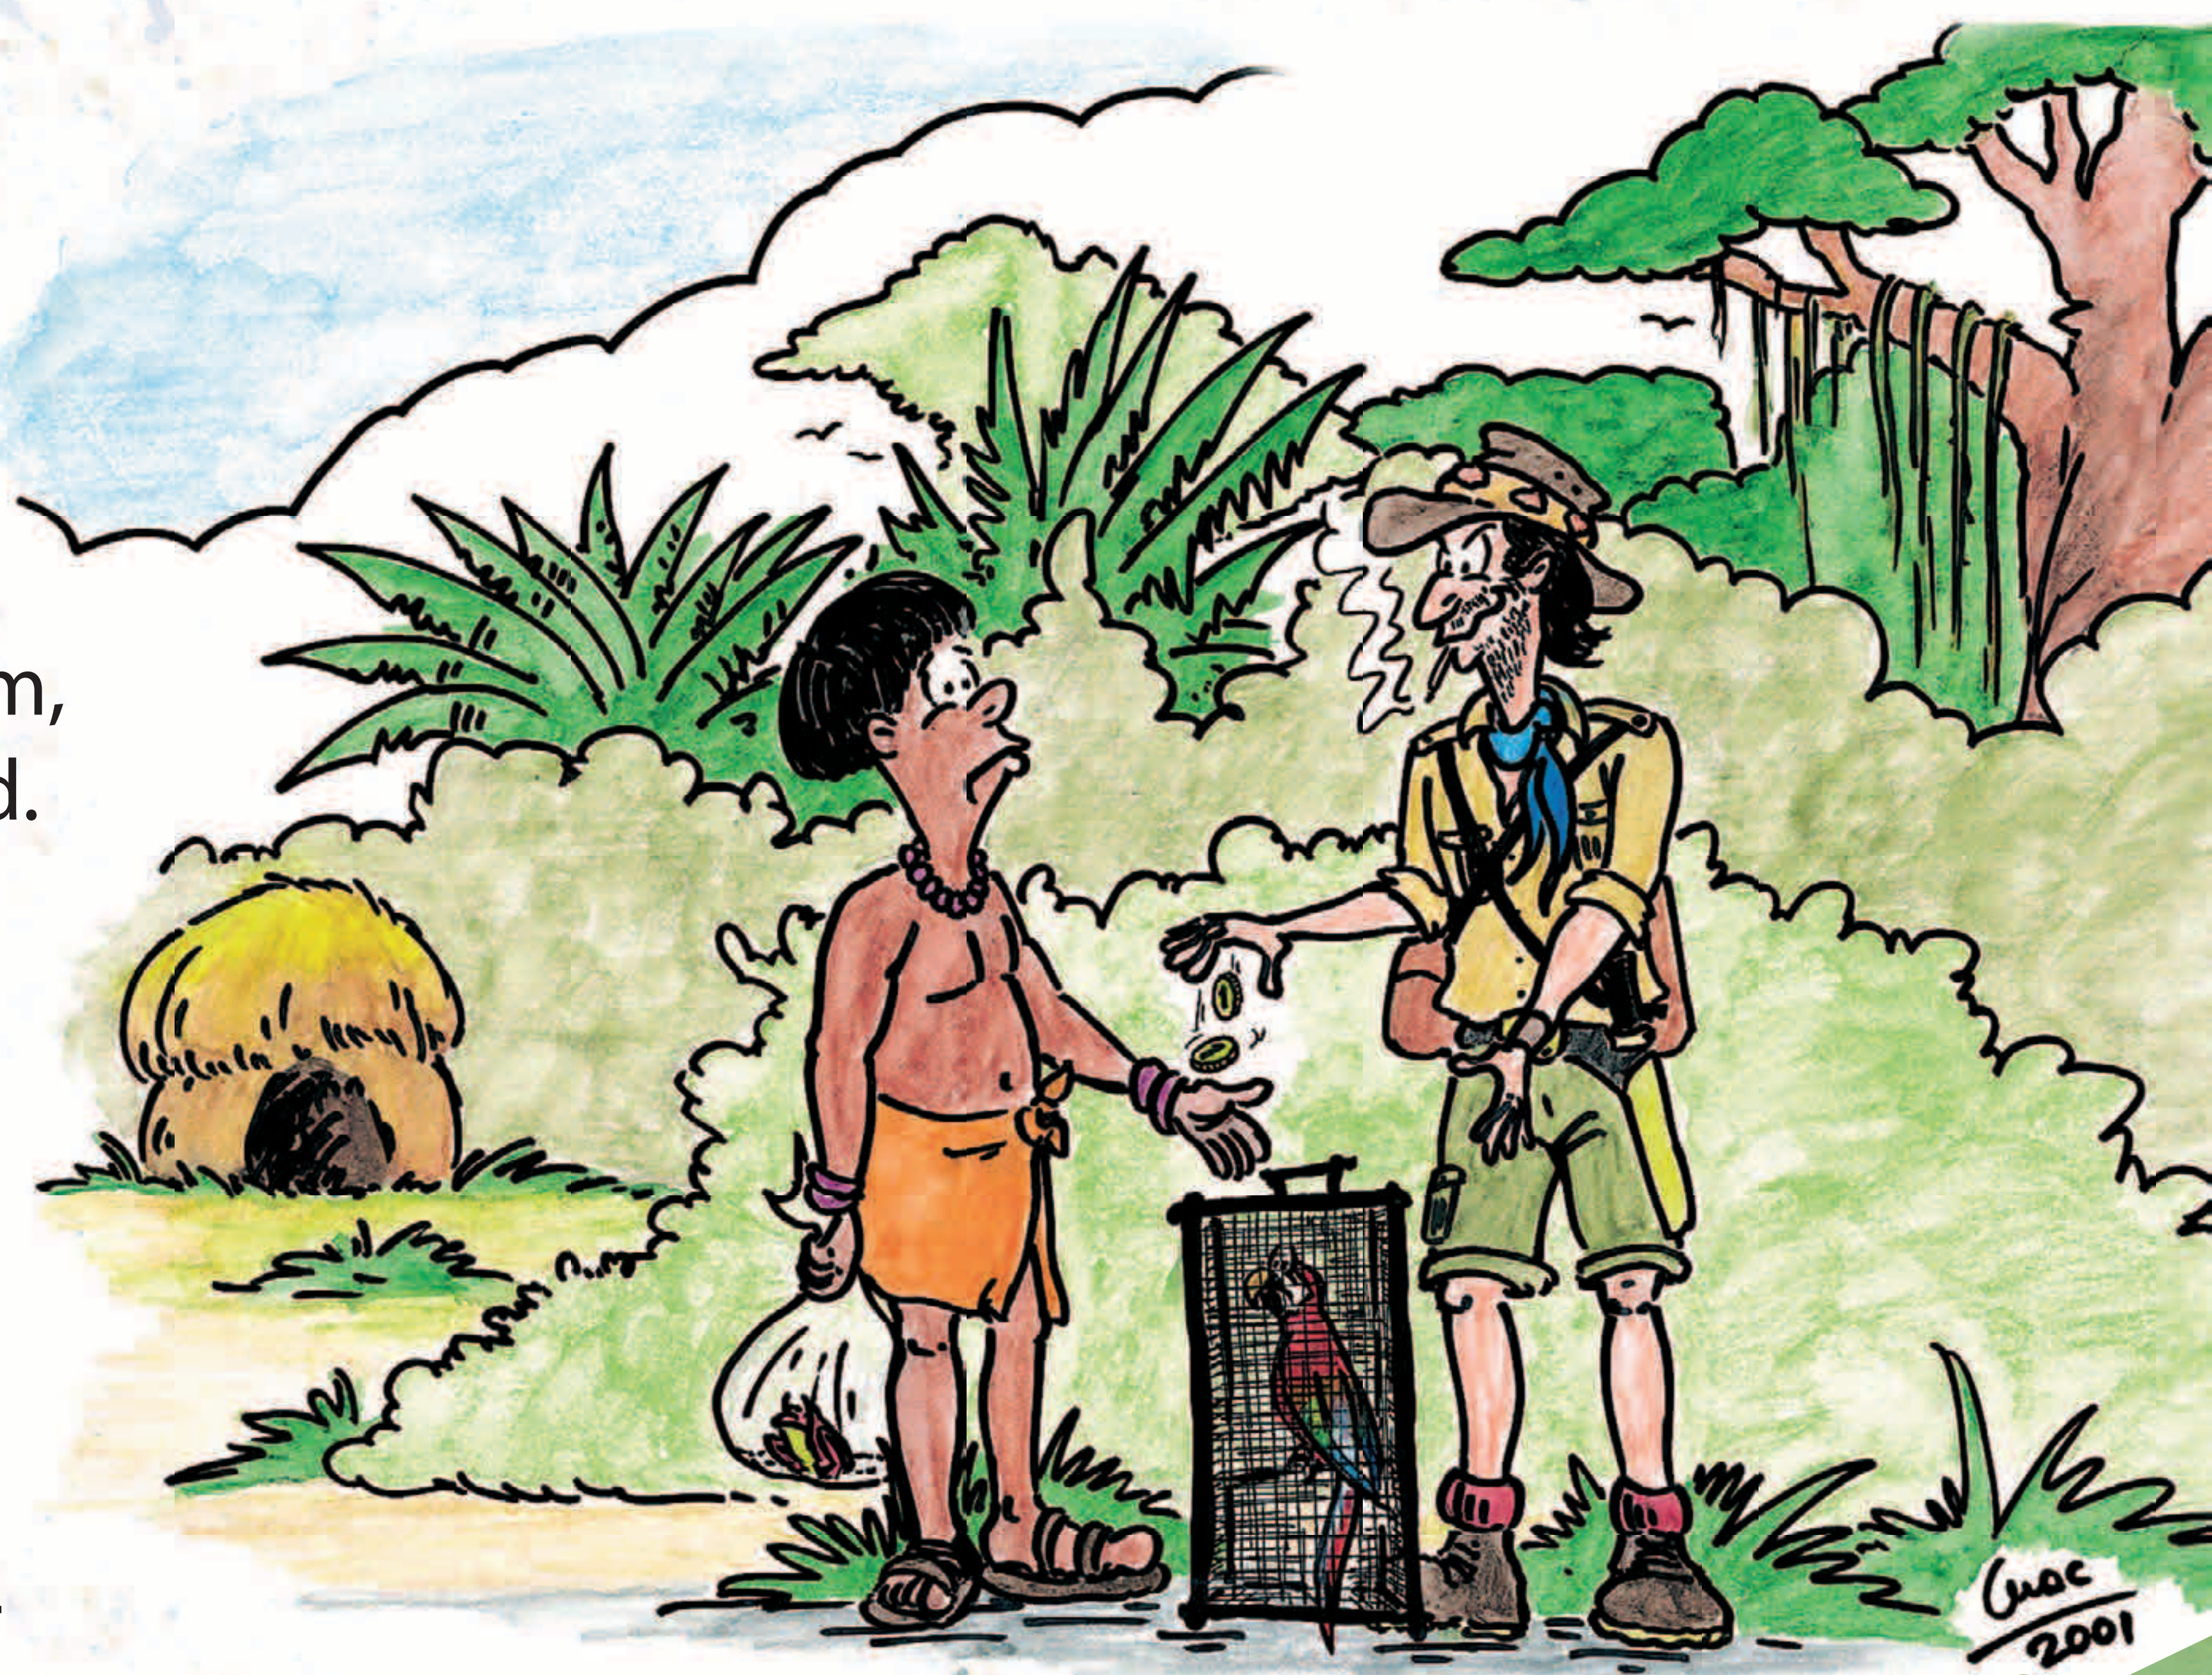

Mnoge rastlinske in živalske vrste so ogrožene zaradi trgovine z njimi, njihovimi deli in izdelki iz njih.

Letno človek naravi odvzame preko
40.000 opic,
15 milijonov drugih sesalcev,
4 milijone ptic,
10 milijonov plazilcev
10 milijonov orhidej
ter nešteto drugih živali in rastlin.

Trade in plants and animals, their parts and products made from them, threatens their existence in the wild.

Every year over
40,000 primates,
15 million other mammals,
4 million birds,
10 million reptiles,
10 million orchids,
and uncountable numbers of other animals and plants are taken from the wild.

Save Endangered Animal and Plant Species

Premišljeno kupuj,
ne ogrožaj živali in rastlin v naravi!

Buy rationally, don't endanger
wild animals and plants!

S kupovanjem opic, kuščarjev, pajkov, kaktusov, orhidej, krzna velikih mačk, kož in usnjenih izdelkov iz kuščarjev, kač in krokodilov, dekorativnih predmetov in nakita iz slonovine, želvovine, koral ipd, prispevate k izumiranju ogroženih vrst.

By buying monkeys, lizards, spiders, cacti, orchids, fur made from Asian big cats, skin and leather goods from lizards, snakes and crocodiles, decorative items and jewellery made from ivory, tortoiseshell and coral, you contribute to the extinction of endangered species.
