1. *Ear tagging of porcine animals in the right ear.*
2. *Marking by tattooing in the right ear or on the right side of the back just behind the shoulder.*

The model of round ear tag with ID of birth establishment (SIŠ)

## D. Oblika spremnega lista za premike prašičev

### D. Format of the movement document for porcine animals

**Spremni list za prašiče (SLP)** je sestavljen iz štirih delov:

- izvirnik SLP (sive barve),
- kopija PRIHOD (rdeče barve),
- kopija ODHOD (zelene barve),
- kopija za oddajatelja (bele barve).

**The movement document for porcine animals (SLP)** consists of four parts:

- original SLD (grey),
- copy of ARRIVAL (red),
- copy of DEPARTURE (green),
- copy for the sender (white).

The diagram illustrates the four parts of the pig movement document (SLP) overlapping each other. The top-most part is the white 'KOPIJA ZA ODDAJATELJA' (copy for the sender). Below it is the green 'ODHOD - obrazec za sporočanje premika prašičev' (departure form). To the right of the green form is the red 'PRIHOD - obrazec za sporočanje premika prašičev' (arrival form). The bottom-most part is the grey 'SPREMNI LIST ZA PRAŠIČE' (original movement document). Each form contains fields for identification numbers (Številka spremnega lista), G-MID, name, sex, and date, along with checkboxes for various conditions. The grey form also features a drawing of a pig and a section for the recipient's details.
