PART I – Description of Consignment – to be filled-in by the EO (economic operator)

Select the commodity/certificate model

On the homepage, click on “**Documents**” and then on “**EU EXPORT**”:

Click on the green button “**+ New EU Export certificate**”:

Select the certificate model from the list using one of these 3 options:

- Expand the CN code and select it from the list of models
- Type the name or the CN code or the title of the model
- Filter by species

Click on “**Done**”.

Note: you can still delete, add or modify the commodity details in the certificate, box I.28

[en] eu.export.edit.select.commodities.modal.title

Please provide nomenclature code, section, species..
Search

Box – I.7 Country of origin

The country of origin will be selected automatically based on the country of the establishments of origin in box I.28.

Box – I.8 Region of origin

This box needs to be filled-in, where appropriate, depending on the requirements of the selected model official certificate.

Box – I.9. Country of destination

The country of destination is mandatory. Only the country corresponding to the certificate modal can be selected.

Box – I.10. Region of destination

This box needs to be filled-in, where appropriate, depending on the requirements of the selected model official certificate.

Box – I.11. Place of dispatch

Indicate the holding/establishment from which the animals or the products come from. To fill in this box, follow one of the procedures described for box I.1.

Box – I.12. Place of destination

Indicate the place where the animals or products are being delivered for final unloading. This box is pre-filled with the information of the Box I.5 Consignee.

To modify the information of this box, follow one of the procedures described for box I.1.

Box – I.13. Place of loading

Indicate the place where the animals are loaded or the final place where the products are to be loaded in the means of transport.

To fill in this box, follow one of the procedures described for box I.1.

Box – I.14 Date and time of departure

Indicate the date and, when required, time, when animals or products are scheduled to leave the place of loading.

Click on the small calendar icon to choose the date and click on the box to select the exact time (in hours and minutes).

I.14. Date and time of departure

Calendar icon:  Time input: 00:00 Time zone: +02:00 CEST

Calendar pop-up (May 2021):

Mon	Tue	Wed	Thu	Fri	Sat	Sun
26	27	28	29	30	01	02
03	04	05	06	07	08	09
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30
31	01	02	03	04	05	06

Tip: By clicking the small clock icon, you will set the time to the current date and time.

Date of arrival

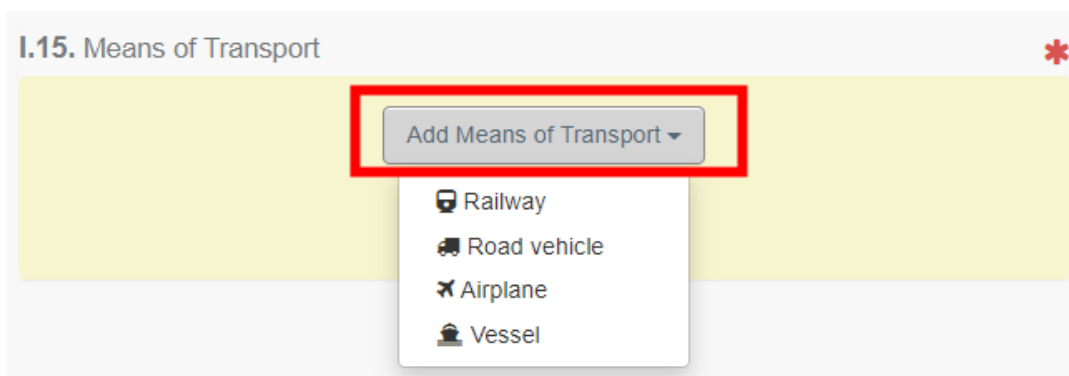

Indicate the estimated date and time of arrival. This box is optional.

Transportation duration

This box will be automatically filled once the boxes *I.14 departure date time* and *date of arrival* have been filled.

Box – I.15. Means of transport

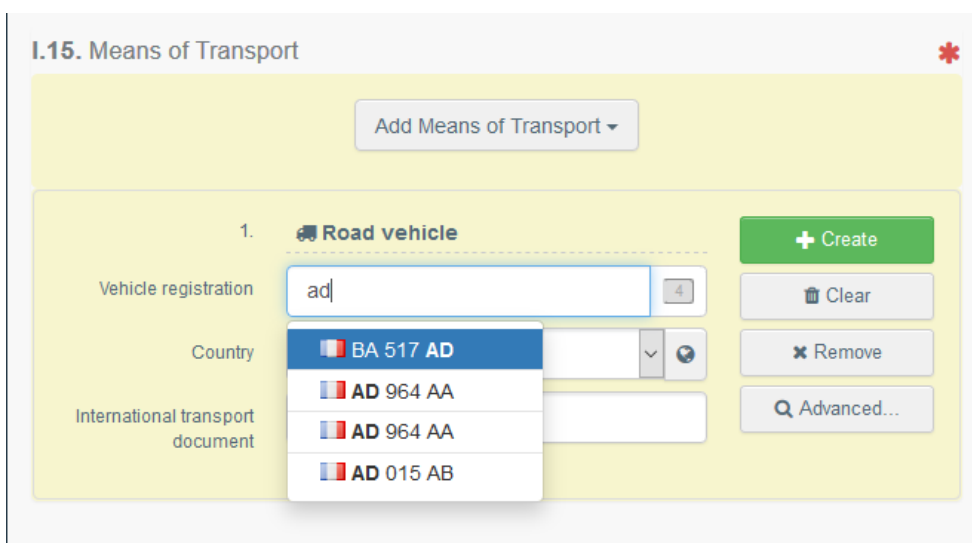

Click on “**Add means of transport**” to select the means of transport by which the animals or products are leaving the country of dispatch. You have the choice between “**Railway**”, “**Road vehicle**”, “**Airplane**” or “**Vessel**”.

The screenshot shows the 'I.15. Means of Transport' section. A red rectangle highlights the 'Add Means of Transport' button. Below the button, a dropdown menu is open, displaying four options: 'Railway' (with a train icon), 'Road vehicle' (with a truck icon), 'Airplane' (with an airplane icon), and 'Vessel' (with a ship icon).

Complete the requested fields:

- If the means of transport already exists in the system, it will appear in the drop-down list while typing. Select it.

The screenshot shows the 'I.15. Means of Transport' section with the 'Road vehicle' entry form. The form includes a table with the following fields:

	1. Road vehicle
Vehicle registration	ad
Country	BA 517 AD
International transport document	AD 964 AA

Below the table, there is a dropdown menu for the 'Country' field, showing the following options:

- BA 517 AD
- AD 964 AA
- AD 964 AA
- AD 015 AB

On the right side of the form, there are buttons: '+ Create', 'Clear', 'Remove', and 'Advanced...'. The 'Vehicle registration' field has a small '4' icon next to it.

- If it does not exist, complete the fields and click on the green button “+ **Create**”.

Box – I.16. Entry point

You have the possibility to indicate either:

- The country:

The screenshot shows the 'I.16 Entry Point' form with a dropdown menu open. The menu options are 'Authority', 'UN/LOCODE', and 'Country'. The 'Country' option is highlighted with a red box and a mouse cursor. The dropdown is titled 'Select Authority/Unlocode/Country'.

The screenshot shows the 'I.16 Entry Point' form with the country selection dropdown set to 'Canada (CA)'. The dropdown is titled 'Select Authority/Unlocode/Country'. To the right, there is an 'ISO Code' field with the value 'CA'.

- The Authority structure where the animals/goods will enter the country, e.g. Border Control Post,

The screenshot shows the 'I.16 Entry Point' form with a dropdown menu open. The menu options are 'Authority', 'UN/LOCODE', and 'Country'. The 'Authority' option is highlighted with a blue bar and a mouse cursor. The dropdown is titled 'Select Authority/Unlocode/Country'. To the right, there are buttons for 'Edit', 'Advanced...', and 'Clear'. Below the dropdown, there are fields for 'Name', 'Country', and 'Code'.

Click on “Edit” and type the name or the Code of the Authority:

Box – Identification of applicant

This box will be automatically filled with the details of the person submitting the EU INTRA.

Submit the EU EXPORT

When the EU EXPORT is complete, you can:

- “**Save it as draft**” to modify it or submit it later. In this case, the certificate will have the status “**Draft**”. Only you can access an EU EXPORT in status “Draft”.

[en] eu.export.consignment.quantity.totals

I.24. Total quantity: 0 Units.

I.25. Total gross weight: * 650 kg

- “**Submit for certification**”. In this case, the certificate will have the status “**New**”. You can still modify the information and the competent authorities have access to the EU INTRA to complete the Part II.

The top navigation bar shows the identifier **EXPORT.EU.FR.2021.0000041**. Below it, the 'Identification of applicant' form contains the following data:

Full name	EO Ten FR
Body description	LMS Place of departure FR
Declaration date/time	September 29, 2021 17:08:10 +02:00 CEST.

At the bottom of the form, there is a success message: **Success: [o en] eu.export.edit.consignment.successfully cr...**. To the right of this message are buttons for **More**, **Submit for Certification**, and **Preview PDF**.

Below the form, the navigation bar includes tabs for **Part I: Details of dispatched consignment** and **Part II: Certification**. The **Current status** is **NEW**, and the next step is **Part II must be signed**.

Error message

If you filled in any of the boxes incorrectly, or missed a box, an **“Error”** message will appear. Click on the **“expand”** sign on the right-hand side of the error message to read the message in more detail. Click on each of the messages to be redirected to the box that requires modification.

The form shows the following fields: Commodity (0102), Species (Bos taurus), Subcategory (Medium sized calves), Sex (Castrated), Identification Number (empty), Identification system (Tattoo), and Quantity (2). The **Identification Number** field is highlighted with a red box.

Below the form, an error message is displayed: **Identification Number** Must not be empty. The message is highlighted with a red box.

At the bottom of the form, there are buttons for **Close**, **Save as draft**, and **Submit for Certification**.

Do not forget to submit for certification once you have corrected the boxes.

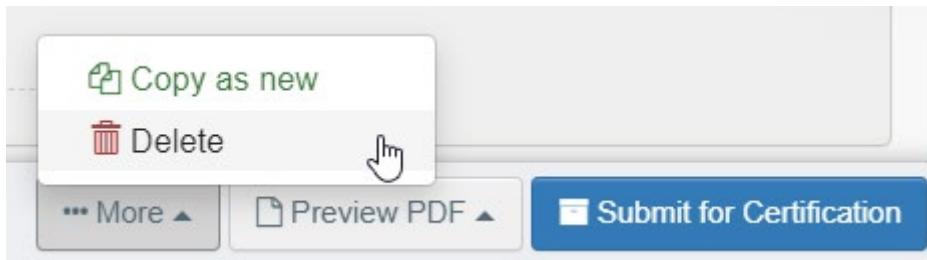

Other options

At the bottom of the page, you will have the following options:

- ➔ By clicking on the **“More”** button you can:

The bottom navigation bar contains three buttons: **More** (highlighted with a red box), **Submit for Certification**, and **Preview PDF**.

- **“Delete”**: allows you to delete the EU EXPORT.
- **“Copy as new”**: create a new EU EXPORT in which most boxes are copied from the original certificate. The original EU EXPORT is not altered in any way if you decide to perform this action.

➔ By clicking on the button “**Preview PDF**”, the system will display the certificate PDF.

➔ By clicking on “**Advanced Print Options**”, the system will display the language selection window, which enables you to print the certificate PDF in several languages at the same time.
