

EURASIAN ECONOMIC COMMISSION

3/5 Smolensky Boulevard, bld. 1, Moscow, 119121, tel. 8 (495) 669-24-00, ext. 4133

11 July 2017

No. 17-249

Federal service for veterinary and
phytosanitary surveillance

The Department for Sanitary, Phytosanitary and Veterinary Measures, owing to the entry into force of the Uniform quarantine phytosanitary requirements for quarantine products and objects in the customs border and in the territory of the Eurasian Economic Union approved by the Decision of the Eurasian Economic Commission No. 157 of 30 November 2016 (hereinafter – Uniform requirements) on 1 July 2017, suggests the following wording for column No. 11 “Additional Declaration” of a phytosanitary certificate: “the quarantine products originate from zones, sites and (or) production areas free of quarantine harmful organisms, according to the Uniform requirements approved by the Decision of the Eurasian Economic Commission No. 157 of 30 November 2016”.

We would ask you to submit this information to stakeholders.

Deputy Director of the
Department for Sanitary, Phytosanitary
and Veterinary Measures
